The Hertfordshire Start-up Programme

Workshops & networking

Attend our interactive workshops to help you start-up and grow your new business. Choose from *Ready, Set, Grow - start your new business, A Taste of Marketing, Website Development, Finance and Bookkeeping and Social Media.*

One-to-one business advice in person or online

Get expert advice from your business advisor either face-to-face or online. From help with writing your business plan to raising finance, your advisor will guide you each step of the way.

Incubation workspace

Use our award-winning business start-up incubators located across Hertfordshire. Access modern, flexible hot-desking facilities, an on-site business advisor and meet other entrepreneurs.

Grants

Those receiving support may be eligible for a:
£1000 Start-up Grant available* for new businesses.
£3000 Growth Escalator Grant available* for existing businesses in their early years of trading.
