The South East Midlands Start-up Programme

Once you're signed up you'll receive all of the support and advice below to help you kick-start your new business opportunity:

Workshops & networking

Attend our interactive workshops, focused on some of the key elements needed to help support and grow any new business. Choose from sessions on: being your own boss; social media for business; marketing; websites and SEO; or financing and bookkeeping.

One-to-one business advice

Be guided every step of the way with expert advice from a business advisor in face-to-face meetings or even online! They can help you with anything from writing your business plan to raising finances.

Incubation workspace

Use one of our exciting new interactive workspaces for business start-ups. Positioned in various convenient locations, providing access to modern, flexible hot-desking facilities, an on-site business advisor and the opportunity to meet other entrepreneurs.

Grants

Those receiving support may be eligible for a £500 or £1000 Start-up Grant available for new businesses!
